

Johnny's Airport Adventure			
2006 21st Century Mathematics			
Standards and Objectives			
West Virginia 21st Century Mathematics			
Grade K			
Activity/Lesson	State	Standards	
Shape Matching (25)	WV	MA.K.M.O.K.3.2	Recognize and describe basic geometric shapes in the environment.
Johnny's Airport Adventure			
2006 21st Century Mathematics			
Standards and Objectives			
West Virginia 21st Century Mathematics			
Grade 1			
Activity/Lesson	State	Standards	
Measurement Worksheet 26-32)	WV	MA.1.M.O.1.1.1 4	Create grade-appropriate picture and story problems using a variety of strategies (with and without technology), present solutions and justify results.
Measurement Worksheet 26-32)	WV	MA.1.M.O.1.4.1	Estimate, measure, compare and order using customary, metric, and nonstandard units to determine length to nearer whole unit.
Time Changes Worksheet (33-44)	WV	MA.1.M.O.1.4.1	Estimate, measure, compare and order using customary, metric, and nonstandard units to determine length to nearer whole unit.
Johnny's Airport Adventure			
2006 21st Century Mathematics			
Standards and Objectives			
West Virginia 21st Century Mathematics			
Grade 2			
Activity/Lesson	State	Standards	
Shape Matching (25)	WV	MA.2.M.O.2.3.2	Compare and contrast plane and solid geometric shapes.
Johnny's Airport Adventure			
2006 21st Century Mathematics			
Standards and Objectives			
West Virginia 21st Century Mathematics			
Grade 3			
Activity/Lesson	State	Standards	
Measurement Worksheet 26-32)	WV	MA.3.M.O.3.4.2	Estimate and find the perimeter and area of familiar geometric shapes, using manipulatives, grids, or appropriate measuring tools.
Johnny's Airport Adventure			
2006 21st Century Mathematics			
Standards and Objectives			
West Virginia 21st Century Mathematics			
Grade 4			
Activity/Lesson	State	Standards	

Shape Matching (25)	WV	MA.4.M.O.4.3.1	Identify, classify, compare and contrast two-dimensional (including quadrilateral shapes) and three-dimensional geometric figures according to attributes.
Measurement Worksheet 26-32)	WV	MA.4.M.O.4.1.1 0	Create grade-level real-world appropriate story problems using multiple strategies including simple ratios, justify the reason for choosing a particular strategy and present results.
